Cremated remains will be held for one month free of charge. Thereafter storage is charged at £10 per month.

METALS REMAINING AFTER CREMATION

To ensure that all metals are disposed of in a manner that will reduce the impact on the environment, the Crematorium has joined the Institute of Cemetery and Crematorium Management (ICCM) recycling of metals scheme. All orthopaedic implants are smelted into granules for industrial use. If you do not wish metals to be disposed of in this manner, please indicate below.

I would like the metals returned to me with the cremated remains

Signature of Applicant for Cremation Date

Please note that the person who made the original application for cremation and signed Form: CREMATION 1 is the only person legally authorised to sign this document.
