

SOUTH-WEST MIDDLESEX CREMATORIUM BOARD

Cremated Remains Columbarium

Our new granite columbarium is now in place under the cloisters to the side of the Jamieson Chapel. The niches can hold up to four sets of cremated remains (depending on the sizes of individual urns or caskets).

The niches are available for a 10-year lease period at a cost of £700 (excl. VAT). The costs include a personalised memorial plaque.
