

**SOUTH-WEST MIDDLESEX CREMATORIUM
BOARD**

Open Day

Saturday 10th June, 2017

Starts 10.00 a.m.

We are inviting the general public to come along to meet the crematorium staff and to find out how the Crematorium operates. We want to dispel the myths and provide an opportunity to learn about the cremation process.

(No cremations are carried out on the day). Our guided tours will explain how we address environmental and horticultural issues relating to the cremation process and the gardens of remembrance.

Tours of the crematory and our award winning gardens start at:-

10.30 a.m. and 11.30 a.m.

**Multi-Faith Service of Remembrance - with
The New Egham Singers Choir - 12:30 p.m. in
The Ogden Chapel**

The service is held to give thanks for the lives of departed loved ones. If you wish to make a dedication to be displayed during the service in their memory, please contact the administration office 7 days prior to the service.
